ists, so does the other, and we still have which our friends in the Legislature

sands who agreed in principle with us, other place the Senator adds:

sands who agreed in principle with us, and who would be with us at last. We were, however, for the constitutional rights of all parties, and we are so still, and opposed to extremes on one side or the other, and do not intend to bedragge! out of a straight course by any party. We don't care whether we are called a beauser at hythe Courier and his committee. It is a matter of no consequence to us. We have been called Abolitionist and traitor, loyal and disloyal. We are used to these revolutionary slanders. We are on own judge of Democracy, and we should be sorry to follow the serpentine course of last parties.

bitterness is hard to tell. There is cer-pose utterly destructive of our own free Letter from the State Capital. eling, the natural result of the war, The whole speech is full of sound Demseeking to inflame it still more, ocratic sentiments, and ought to have a We think it, especially, unbecoming in restraining influence that we must rather General Fisk. He is placed in a position hope for than expect.

Hon. U. A. Wlekliffe for Governor. We be managed by the people of the State ac-Republican camp, the latter may look for were demanded then as giving aid and cording to laws of their own making, an accession. We presume this correspond to the late "cruel war," Cor non sense teaches that. But when spondent speaks for blusself, and has few orphans, may be the battles of li ever an interference is made, and that, sympathizers in his lil humor. As we is It was a slander, however, that we intended to help the Uourier and its friends to dissolve the Union. Dur effort was to save is very offensive. We are surprised and the Constitution, and save the Courier w the Constitution, and save the Courier & indignant that it should be done; and be. We are not partlemar about names, time times We still more, that such fabrications should for we have so many things calling them-time afterwards, regarded

simon pure Democrat. Most men in his position, it he has not have sworn to support all laws and proclamations about the recently upon the subject of theory of the Federal Bovernment as imposing the Freedmen's Bureau upon many who boast of a short-lived Democrative positions that these who favor the subject to subject groes especially, and must be true to Kentucky. He occupies the general racy, and even truer,

desertion gave the enemies of constitutional liberty and the rights of the States in the several counties, is comblete.

But us to the organization of the Democratic party in 1863, the whole State knows that the Lonisville Democrat was at the basis of that movement, aided by a few men who had been always opposed to secession, and unaided by the Courier or any of his friends in the cause in which he was engaged. He now looms up and by the misendance of the Constitution is the poor, through the agencies of the magnetic of the several counties, is comblete.

Sir, I did hope that cre this we should have should have allowed of the say. As a specimen of how much it has been for "healing the heart-burnings and exasperations incident to the bloody and wasting condict," &c., the following and taking care of their local concerns, and that we should have allowed them to take the organization of the Democratic party in 1863, the whole State knows that the Lonisville Democrat was at the basis of the say. As a specimen of how much it has been for "healing the heart-burnings and exasperations incident to the bloody and wasting condict," &c., the following and taking care of their local concerns, and that we should have allowed them to the basis of that movement, aided by the courier of the proportion of the Senate, as at present. We see that there is any necessity for the Senate, as at present. We are this fact the following and wasting condict," &c., the following and wasting condict, "&c., the following and wasting condict," &c., the following and wasting condict, "&c., the following and wasting condict," &c., the following and wasting condict," &c., the following and wasting condict, "&c., the following and wasting condict," &c., the following and wasting condict, "&c., the following and wasting condict," &c., the following and wasting condict," &c., the following and wasting condict, "&c., the following and wasting condict," &c., the following and wasting condict," &c., the following and wasting condict, "&c., the followi he was engaged. He now looms up and by the amendment of the Constitution assumes to be the organ of the Democratic party of Kentneky. He has confessed none of his sins, unless he has been seed none of his sins, unless he has respective States, because they are not in a condition to support themselves, even promised a great deal too much for the if they were able and willing to work. Union from the State of Kentucky. It is

tees that had been appointed by two different parties were superseded. If one ex-

parties. Neither have any right, certainly, to act for men that never appointed them, nor have either a right to act for the party as it is now organized. Their call of a convention is of no more authority populationt: that we have ity than a call from any other members of the dominant party in this State. It is only a movement that will create a division when none should exist.

There are a great mass of voters in this States, and against this revolution that the dominant party that the other words and against this revolution that the dominant of the states, and against this revolution that the dominant party in the states, and hacks up his opinion with that of and against this revolution that the dominant distinguished lawyer, that there State sound on the rights of the States, and backs up his opinion with time of ingling inglined lawser, that there inglined laws protecting the Lexington, Ky., July 21, 1825. inant party in the country are making in are already ample laws protecting the the authority of this committee; and we modifications are made should be slight.

XXXIXth Congress-1st Session. SENATE

Mr. Grimes offered a joint resolution andering the thanks of Congress to Readmiral Parragut, and officers and member him, for their gallant conduct in sengagement in Mobile Lay on the 5a Mignast, 1864. Referred to the Committee of Second Making.

Atlantic and Mississippi Steamship Com-puny's Steamer LADY GAY John C. McFau , Clerk, Master, of dome schools of the Instrict of Colundon.

Mr. Wilson rafled up the bill to restrige the amount for the collection of soldier's claims to ten dollars.

Mr. Clark offered an amountment which was adopted, with the exception in cases which the acting officer shall certify services rendered to she worth more.

Mr. Trumbull called up the bill for the protection of all persons in their civil rights. Mr. Trumbull differed an amendment to insert the following words after the emacing clause: That all persons of African descent, born in this country, achievely declared to be citizens. Mr. Trumbull that the declared to feeting the Security are hereby declared to be citizens. Leaves C rr ten at solcok a w. and Madlona at officek s. for Lou at solcok a. w. and Madlona at officek s. for Lou at solvery Monday, Welmesay and Fr day. cheers, which were enthusiastically will continue as at present, about \$10,000,-

three cheers, which were enthusiastically given.

The debate on the constitutional amendment was then resumed.

Mr. Raymond, of New York, made a spreach denying the positions heretofore assumed by Mr. Stevens and others, that the Southern States are out of the Union, and argaing that Congress is particularly restrained by the Gonstitution from doing unything to those States which we may not do.

Mr. Schenek suggested an amendment, which Mr. Julien accepted, to provide that the trial be either by a civil or military tribunal.

Mr. Julien accepted the modification proposed by Mr. Binglam, adding "article other crimes of which he stands charged.

The House refused to second the demand for the previous question, when debate arising, the resolution went over.

Mr. P. her, old indiana, offered a resolution with the observed to instructing the Committee on the 1585 het of Columbia to report a bill to amend the relection laws of the District so as to exclude from the right of sulfrage all persons who have willingly horn arms against the 1 nited States, or have accepted office from the rebest during the robolition.

Mr. Kelly introduced a bill which was referred to the Judiciary Conunititee, providing for trafisferring all causes now

The report of the United States Revenue Commissioner has been laid before Congress. It makes various recommendations and presents forms of bills in order to the better improvement of the revenue lews and suggests the increased sources of revenue. The Commissioner also appends reports on tea, coffee, cotton and molasses to that end. The Secretary of the Treasury upproves of all the recommendations, with the exception of the time at which payment of the principal of the public debt should commence.
